INVITATION

Dear Sir/Madam:

Chinese Taipei Amateur Radio League (CTARL) is honored to announce the following information regarding the rescheduled 12th IARU Region 3 Conference 2004, which will be held in Taipei, TAIWAN. On behalf of CTARL, I would like to express my sincere pleasure in inviting you and your members to join the conference in 2004 (rescheduled from the original September 2003 due to the SARS outbreak).

The conference date will be from February 16th to February 20th 2004. The conference hotel (Highness Hotel - a registration form can be found attached to this letter) is in the vicinity of the Taipei metropolitan area with many wonderful scenes for you to visit and enjoy yourself. Amongst these scenes are the traditional sites of the fishing village of Tamsui, and the world-renowned splendor of the National Palace Museum in central Taipei. We also hope that you will be able to immerse yourself in the unique culture of Taiwan. Above all, it will be a splendid opportunity to have eyeballs QSO with friends and acquaintances, both old and new. February is winter here in Taiwan, so the weather may be windy with an average temperature of approximately 15 degree Celsius.
